Press Release

"Martyr Mahabub Hasan Niloy Football Tournament" launched in PUST

"Martyr Mahabub Hasan Niloy Football Tournament-2024 " was launched in Pabna University of Science and Technology (PUST) today, November 23. Professor Dr. SM Abdul Awal, Vice Chancellor of PUST, inaugurated the Inter-Departmental Football Tournament as the chief guest around 2:30 pm at the University's central playground.

Professor Dr. Kamruzzaman Khan, Proctor, Dr. Md Rashedul Haque, Student Counseling, and Instructions office director were present on the inaugural occasion. Professor Dr. Md. Fazlul Hoque, Dean of Science Faculty, Prof. Dr. Mir Khaled Iqbal Chowdhury, Dean of Humanities and Social Science Faculty, Professor Dr. Md. Amirul Islam, Dean of Business Studies Faculty and Professor Dr. Sheikh Rashel Al-Ahmed, Dean of Engineering and Technology Faculty were present at the inaugural occasion.

Dr. Enamul Haque, Director (Additional Responsibility) of Physical Education Office in PUST was present also.

Vice Chancellor Professor Dr. SM Abdul Awal said that we have to work together properly to reform our country and be honest, responsible and cordial. Through hard work, a person can develop his life, but we want to do good in a shortcut way. He added that we will be active mentally and culturally in every aspect of life. We have to build up leadership in our minds. If we can work together, we could represent our University to the nation positively.

The inaugural Match was held with the URP vs. ICE Department at 3.30pm in the University's central playground. The final match will be held on 7 December.

Twenty one-department students will take part to play in this tournament.

Mahabub Hasan Niloy (13) is a martyr who was killed during the anti-discrimination mass uprising in Pabna on August 4. He was a ninth-grade student of Siddique Memorial School and College in Pabna.

Teachers, Students, Officers and Staffs were present at the inaugural occasion. Md. Fatin Ishrak, Assistant Professor of Electrical, Electronic and Communication Engineering Department (EECE) moderated the programme.
